**Addendum No. 3 to RFP 13-64CD**

---

The City is issuing this addendum to RFP 13-64CD, Union Square Utility and Roadway Improvements, Study & Design, to provide additional information:

**1. Extension of Proposals Due Date:**

- **Proposals were Due on:**  
**Friday, 3/8/2013 @ 11:00 AM**
- **Proposals are now Due on:**  
**Friday, 3/29/2013 @ 11:00 AM**

**2. Clarifications:**

- An additional extension of this project has been approved for the proposal due date to March 29<sup>th</sup>. Requests have been made for additional time in order to prepare substantive proposals due to the extensive material needed to provide. The City has determined that a three week time request is reasonable for this project. The City wants this project to succeed and does not want a rushed product.
- Strongly recommend that you acquaint yourself with the Union Square Revitalization Plan, Development Scenarios are included in the Plan. Available online at City's Website:
